Show you the amazing human understanding of stone,
The beauty of nature, the nature of our lives.

标美石材是一家工贸一体的专业石材供应商。我司采用现代化的加工设备、精湛的加工技术，始终如一地为广大用户提供优质达标、价格实惠的石材产品。经过多年来不断的努力与专注经营，公司进一步扩大了营业规模，已经发展成为一家集全球原材料采购、精加工、国内工地施工及海外出口服务为一体的综合性企业。

我们愿携手海内外客户真诚沟通、深化合作、互利共赢、共创财富。

BMG Stone and its subsidiaries are the leading companies in the field of natural stones, mainly specialized in the extraction and manufacturing process of marble and granite materials. For years of development, we have been engaged in quarry mining, stone fabrication and export, domestic and overseas sales and installation service.

We continuously improve our products and finishes offer. Thus, raw blocks, thick slabs or different finished products are supplied as needed. We can get the ideal raw materials to make projects with the most advanced technology, treating the materials and adapting them to the different designs and architectural needs.

Our professional trained staff are ready to provide complete consultation and service on your projects. Prefabricated stone products are available from our China factories. The members of our team is the main asset of our company due to their experience and specialization, working on large projects with architects and engineers in applying stone flooring, covering, facades or other technical solutions. Our collaborative philosophy has generated excellent business relationships with many clients; this allows us to provide more materials upon request, to offer complete, quick and effective solutions.

BMG Stone is your choice for the stone products and project needs. We are accepting the new partners and business owners to join us, we will always help you to obtain the projects and under budgets through our endeavored efforts.
