BMG STONE

Stone experiences two births.

Over millions of years, the pressure from overlying layers squeezes out the water within sediments, which then undergo consolidation through the cementing action of minerals.

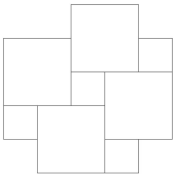

Then, we combine decades of expertise, the latest technology, and artistic design to rejuvenate the stone’s value. This is the rebirth of natural beauty for humanity.

Let us cherish and enjoy what nature gives us.

PUZZLE WALL COLLECTION

Crafted Surfaces and Classic Style

Bianco Carrara

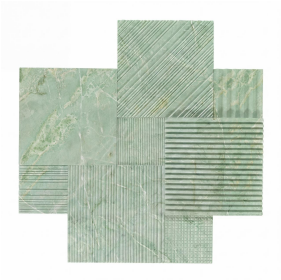

Silkwood

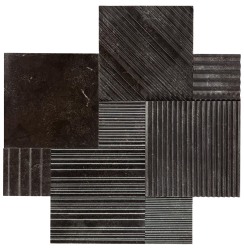

Ivory Beige

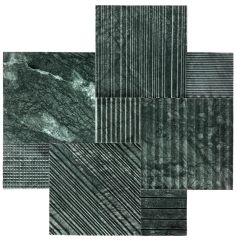

Travertino

Ming Jade

Black Portoro

Verde Alpi

Red Travertine

Size: 95mm*95mm*10mm/15mm & 190mm*190mm*10mm/15mm
The variety of natural marble colors are common and must be acceptable.

Size: 70mm*600mm*10mm / 200mm*900mm*10mm.

ARISTON COLLECTION

Precision Composite-Lightweight & Durable-Fast & Easy Installation

Bianco Carrara

1.Porcelain + Marble

Slab Size：

1200mm*2400mm*12mm

900mm*2700mm*12mm

Porcelain Slab Thickness 6mm

Peak Ridge / Bold Rib / Silhouette

Three designs in 15 mm thickness

2. Epoxy + Marble

Slab Size：

1200mm*2400mm*4mm

900mm*2700mm*4mm

Epoxy with mesh 1mm

1200mm*2400mm*7mm

900mm*2700mm*7mm

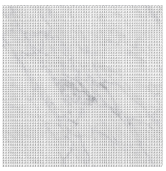

Epoxy with mesh 2mm

Peak Ridge / Bold Rib / Silhouette

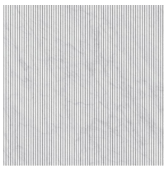

Three designs Not Applicable

Polished / Matt / Soft Feel and various surface finishes available

Surface Texture
